Dear Brent,

I would like to take a minute to write and thank you for the many years of real estate services you have provided to Digital Insurance. In 2000, when our company began, you located our small group in a 1,200 square foot sublease office space in the Galleria 100 building. This short term lease allowed us time to control expenses and provide options for future growth.

Since then you've negotiated our expansions into a 10,000 square feet, then 25,000 square feet, and finally into our current location of 36,000 square feet in July 2010.

You have always paid close attention to our requests assisting us in proper sizing for our future expansion requirements and leveraging the market to effect excellent economics

Thank you for your years of service. I would be pleased to speak directly to organizations considering an engagement with The Armstrong Group.

Sincerely,

Adam Bruckman  
President & CEO
